CLEARINGHOUSE RULE 20-014

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

a. In the rule caption’s listing of amended provisions, and in the treatment clause for SECTION 6 of the proposed rule, consider revising the citation to s. A-E 5.06 (6) (a) and (b) to remove the listing of pars. (a) and (b). Subsection (6) contains only pars. (a) and (b), and is accordingly amended in its entirety.

b. Within s. A-E 5.03 (2), consider replacing the reference to “sub. (3) (a) and (b)” with simply “sub. (3)”. Subsection (3) contains only pars. (a) and (b).

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the rule summary’s plain language analysis, the first bullet point appears to be incomplete.

b. Throughout the proposed rule, consider hyphenating the term “onsite” so that it reads “on-site”. While both “onsite” and “on-site” are used throughout Wisconsin Statutes and the Wisconsin Administrative Code, the term is hyphenated within s. 145.01 (12), Stats., the definition of “private on-site wastewater treatment system” that is cross-referenced in this rule.

c. Within s. A-E 5.04 (7) (Note), consider replacing “by request from the Department of Safety and Professional Services” with “by request to the Department of Safety and Professional Services”.
